## To The People Of The Fourth District

I wish to thank the people of District four for the wonderful support I received on May 4th. I am grateful to those who helped me in my race for all that they did for me, and I appreciate the courtesy shown me by those who could not support me.

If I am elected I want to assure you that every community and every man will receive equal consideration in your road problems. I promise you courteous service and an honest effort to help you in any way that is in my power. I intend to divide the equipment over the district if it can be done profitably so that each community will have access to some road work at all times.

If elected to this office you will not have to look for me when you need me. Just go to your nearest telephone and call me at my home and you will receive a courteous and prompt response.

If elected to this office I will strive just as hard to serve the people as I have to be elected and I will appreciate anything that might be done or said in my behalf.

Ira (Pete) Allen  
(Pd. pol. adv. by Ira (Pete) Allen, Rt. 1, Enterprise, Ala.)

## COFFEE COUNTY BAPTIST PASTOR'S UNION MEET

The Coffee County Baptist Pastors' Union met Monday morning, May 3, at the First Baptist Church of New Brockton.

Rev. A. O. Martz led the discussion for the morning, his subject being, "Inspiration of the Scriptures."

This organization was re-organized in March and the officers chosen were: President, Rev. O. M. Fox and Secretary, Rev. J. H. Dykes.

Those attending the meeting Monday were: Dr. B. R. Justice, Enterprise First Church; Rev. A. J. Strozzer, County Missionary; Rev. A. O. Martz, Enterprise Park Avenue Church; Rev. E. A. McGuff, County Line and Rev. Pleasant; Rev. Charles Brewer, Calvary, and Rev. O. M. Fox, Elba.

—

## MERRIE NEEDLES CLUB MEET

The Merrie Needles Club held its regular meeting Friday afternoon, May 7, at the home of Mrs. Harold Mayhood.

The meeting was called to order by the president, Mrs. J. K. Hayes.

After an hour's sewing, refreshments were served to the following: Mrs. L. J. Jones, Mrs. E. C. Fuller, Mrs. E. A. Sawyer, Mrs. J. K. Hayes, Mrs. Richard Harris, Miss Julia Harris, Mrs. W. H. Sawyer, Mrs. J. B. Wilks, Mrs. Jim Moore, Mrs. Vandyols, Mrs. J. L. Bailey and Mrs. John Seaborn.

—

## EXCHANGE CLUB MEETS

The Exchange Club held its regular meeting Monday night, May 10, at the New Brockton High School.

The meeting was called to order by the president, A. C. Freeman.

The officers for the fiscal year 1947-48 of Sorosis Club had changed of the program. Mrs. Claude Sawyer, president, gave the year's achievements of the Sorosis Club. Mrs. Ferrell Dore, vice-president, and Mrs. John L. Jones, secretary and treasurer, served with Mrs. Sawyer.

A steak dinner was served to the following: A. C. Freeman, J. L. Bailey, G. H. Hogg, Claude Sawyer, J. W. Brock, Cecil Bradley, Frank Jeter, Ray Snellgrove, J. L. Jones, and O. D. Roberson.

—

## Mr. and Mrs. Edwin Wallace and Johnnie Wallace of Greenville, Mrs. and Mrs. Charles Hayes and children, and Dr. and Mrs. C. P. Hayes of Elba, and Mrs. Bethune, of Clayton, visited Mr. and Mrs. J. N. Wallace, Sunday.

## Location Of Trade School To Be Decided Soon

MONTGOMERY — The location of one of the trade schools authorized by the 1947 Legislature may be decided by the State Board of Education when it meets here May 14, according to Dr. Austin R. Meadows, State Superintendent of Education.

The bill, introduced by Rep. George C. Wallace of Barbour County, authorized the Board to build four trade schools within the next four years. For the construction of each institution, the lawmakers voted an annual appropriation of \$750,000.

According to Meadows, aside from providing for the state trade schools, the bill also gave the Board authority to issue \$250,000 in revenue bonds for construction work at Troy State Teachers College and at the Montgomery State Teachers College for Negroes. A portion of the \$250,000 is slated to supplement a State Building Commission fund of \$100,000 for a new library and cafeteria at the Montgomery school.

Meadows said that approximately 25 applications had been received for one of the trade schools from various towns over the state.

ABC Board Files Request For Charge In Advertising

Two liquor firms of the Alabama Beverage Control advertisements which, board members said, tended to encourage drinking which is "against the board's policy."

The Calvert Company was the main liquor concern whose advertising methods were censured by the board. Board Administrator Frank Bunkley said that he had talked to O. H. Martin, vice-president of the firm, asking that the Calvert advertising policies in the state be changed to conform with the ABC requests.

The board had previously condemned a label used by a Montgomery wine company on the grounds that the picture on the label gives the impression that drinking wine would make a person strong.

## New Brockton Pupils Examined For Tuberculosis

### Program Calls For Examination Of All Students

On April 29 a sample group of children at the New Brockton school were given the tuberculin test. Out of the 150 old children tested only two were found positive. These were given X-rays of the chest on May 4 at the chest clinic held in Enterprise at the office of the County Health Department.

We were glad so few children were found positive, because all children had an opportunity of exposure in 1946 and 1947 to a school employee with tuberculosis in an unsuspected condition. In the Fall all New Brockton children will be tested.

The two children found positive are by no means to be considered sick. They are probably not sick, but they have been infected. They will be watched

for years to come. They will be taught how to improve their health by the Better Growth Program of personal hygiene, exercise, proper diet and sanitation to prevent needless disease which might break down their resistance.

The rest of the students at New Brockton will be tested and the 10 or 12 expected to be positive will be X-rayed. In addition every member of each positive child's family will be examined. This may run into almost one hundred people examined as the result of a single infected case. This is the modern method of finding unsuspected tuberculosis in a population with a small number of cases. When there is more tuberculosis in a community mass X-rays are being employed with efficient results. We would like to have this service for our people also, and with state aid it may become possible within a few years. It is an expensive but successful method of case finding that would be even more worth while if Alabama had more hospital beds for known cases of tuberculosis.

Did you know that of the three meats, pork, beef, and lamb, pork requires the most salt, beef next, and lamb least?

## Hog Prices Reach 19:30 At Sale Here Monday

Hog prices are still climbing at the Elba Livestock Sales market, Monday tops sold for \$19.30 compared with \$18.60 the preceding Monday. Cattle continued to bring high prices, several white face calves bringing 28 to 30 cents a pound.

Offerings of both hogs and cattle were comparatively light Monday but there are always enough on hand to furnish material for an interesting sale and instances are frequent showing that this sales institution is the means of growers realizing increased prices for their stock.

For instance: John Dawkins sold a clipper reporter Monday for \$19.30. He was offered a certain price for three hogs last Monday. He decided to keep them and feed them a week longer. He sold them at Monday's sale for \$25 more than he was offered the previous Monday.

—Elba, Ala.

## BASEBALL

(Continued from page 1)

when with Florida leading 11 to 10, and with a male on base in the ninth inning. Shortstop Bill Maddox stepped to the plate with "blood in his eye" and smashed a tremendous home run that broke up the game. It was a fitting climax that had been a see-saw affair up to this time.

The teams were about equal in hitting, each obtaining 11 base hits. Elba had a slight edge in fielding, being charged with 4 errors to 5 for Florida.

Wins 5, Losses 2  
So far this season Elba has won 5, lost 2 and tied one game, for an average of 700 in the league standing. Bullard pitched the whole game allowing 11 hits. Johnson caught a good game but made two costly misplays.

Firstbaseman Foy English, who has had a lot to do with making league baseball possible in Elba, says the Elba club is facing much stronger pitching now than in the earlier games.

You should keep a stiff brush near the laundry tubs as brushing is more efficient than rubbing on a board. The brush is good for cleaning out pockets and for brushing soapuds onto stubborn stains.

BUY NOW — We have in our warehouse for delivery, haywire, 9' x 16 1-2 gauge, 500 strands to the bundle. Conecuh Implement Co., W. T. (B) Evergreen, Ala., Phone 400, P. O. Box 391. 13May11c

## Business Opportunity

We have a great opportunity to offer some young man between twenty and thirty years of age.

He must be honest, industrious, open-minded, and willing to accept responsibility and also have a desire to be a business man.

If interested write to us giving full details such as experience, age, married or single, number of children, present position, present salary, reason for changing, etc. All letters will be treated strictly confidential.

Write c-o P. O. Box 31, Opp, Alabama.

WE SERVE diligently and faithfully at all times as we value our reputation.
